We are excited to continue our 1-to-1 technology initiative this year. This is an opportunity we believe will best position students for success and aligns with our mission.

Each classroom will have at least three charging stations, but to best prepare your student's Chrome Book for a full day's use please be sure to charge their device overnight.

We understand parents and students have concerns about device protection. To best support student safety, backpacks and computer bags are not permitted in classrooms. However, we encourage families to consider neoprene device cases with handles.

Our 1-to-1 initiative will also take away the academic need for cell phones and personal electronic devices.

As we begin the year, **students will be directed house their phones in the hanging**

holders in each classroom. This will be a school-wide expectation, for all classrooms. This will allow students to avoid the distraction of push alerts, social media, group texts and other non-academic uses of their device.

Research shows these distractions have a negative impact on academic achievement.

[Here's a two minute video from Edutopia detailing the impact of phones on learning. It's well worth your time.](#)

Headphones are also prohibited from classrooms.

Students who use their phones for glucose readers or other medical needs are exempt from this policy. Parents are asked to include this information in their Plan of Care documents.

Students will continue to have the privilege to use their personal devices at lunch, passing time and in the building, during early morning and after-school hours.

All classrooms remain equipped with teacher telephones. In addition, student phones will be only feet away in case of emergencies. You can always reach our main office at 248-673-1261.

Wilson Gets an "A" For Being a Very, Very Good Boy

Wilson is beginning his second year as a Kettering Captain and, according to his tail, he's very happy puppy.

"I love being a Kettering Captain," Wilson told reporters. "My friends here are super nice. I have nearly 1000 friends who see me every day. They give me lots of snuggles and scratches and hugs."

Wilson said he also likes playing ball, hanging out in Mr. G's room, going for walks with Miss Jackie, and taking naps in Mrs. Taylor's office.

"Those midday naps are really important," Wilson said. "After a busy morning, I'm a tired, tired little doggie."

"I'm not so sure I'd call him 'Little'," WKHS Principal Mr. Harwood said. "He's 80 pounds and still has 20 more to go. You should see him polish off a bowl of food. 30 seconds. Tops. He's a machine."

Wilson was trained by Green Acres Labradors & Beagles, in Highland. His training and donation was made possible by a generous grant from LaFontaine Automotive, in Waterford. He is hosted by his daily work buddy, Mr. Harwood. In addition to [LaFontaine Automotive](#), Wilson is sponsored by [Premier Pet Supply](#) and [Pet Supplies Plus](#) — where he loves his grooming sessions.

We are in the process of embroidering Wilson's new vest. If you become a sponsor and would like us to include your logo, along with publicity in our newsletter, please email harwob01@wsdmi.org.

All items for Wilson's home have been taken care of by Mr. Harwood. We are still welcoming sponsors for school items (see linked list):

Teacher's **P**et of the Week

Pickles

Each week we will be showcasing a Kettering staff member's favorite fur friend on a page we're calling our "Teacher's Pet of the Week". This week's pet belongs Miss Toto.

"This is Pickles. He is a 6-year-old pug who is the Master of His Domain. He loves to be around people and give lots of kisses. He is a loyal companion who knows how to brighten everyone's day. His favorite activities

are going for walks and attending pet-friendly events like the Taste of Clarkston (where everyone knows his name) and Dog Bowl Days in Frankenmuth. In his spare time, Pickles loves to watch murder-mystery shows and Downton Abbey while laying on Mom's bed or pillow. And his favorite treats are Pupperoni, Frozen Blueberries, and Pup cups.

Do *you* have a pet you've dressed school spirit gear? If so, we'd love to showcase them in this very space in every weekly newsletter. Send pictures of your four legged Captains to harwob01@wsdmi.org

Attendance / Tardies:

Being at school is the best way to ensure student success.

Every day counts! Please make your best effort to ensure your student arrives in plenty of time for first hour, which begins at 7:20. The doors open at 7:00 each morning.

If your student will be absent, make sure you call the attendance line and let us know. If your student had a doctor appointment, be sure to have them turn in the note from the doctor and the absence can be marked as exempt.

Students are also expected to be on time to each class throughout the day. It is helpful if you can discuss this with your student prior to the start of the school year.

Attendance calls will go out when students are tardy or absent. You can check MiSTAR Parent Portal to verify the specific hours your student was marked absent or tardy.

Attendance Line: 248-673-6440

Electronic Devices:

Students will continue to work on the district issued Chromebooks each day. Please make sure your student charges their device fully each night and brings it each day. Students will be able to use their Chromebooks for academic purposes. The handbook for Chromebook usage is located here:

Cell phones / earbuds / other electronic communication devices will not be permitted in the classroom. Each classroom will be equipped with a holder for cell phones and students are expected to put them in there as they enter the classroom. Violations of this policy may result in parents needing to pick up the device from the office.

Districtwide, students are prohibited from using or possessing active (i.e., turned on) electronic communication devices in restrooms, locker rooms, offices, and other locations where students and staff have a reasonable expectation of privacy.

Having access to technology on campus is a privilege,

Backpacks / Jackets:

Districtwide, students are expected to keep their backpacks and jackets in their lockers throughout the school day. This includes letterjackets. Sometimes classrooms may be cool. We suggest students keep an extra sweatshirt in their locker for this reason.

Code of Conduct:

Students are expected to follow the Waterford School District Code of Conduct at all times when they are on school property, at school events, or traveling to and from school.

Dress Code:

Students are expected to dress in a manner that is not disruptive to the educational process. Students may not wear anything that references drugs, alcohol, sex or violence. If a student is wearing an item that is deemed inappropriate, they may be asked to change their clothes or cover up any inappropriate item.

Dear WSD families,

The health, safety and well-being of our students, as well as staff and families is my number one priority. Because of this, I'd like to touch base with each of you regarding an area of growing concern in our school district – student vaping.

Numerous studies have shown the negative effects of vaping, particularly to our youth. According to the [Oakland County Health Department](#), e-cigarettes/vapes are battery-powered devices that deliver nicotine, flavorings, and other additives to users by heating a liquid to produce an aerosol that is inhaled. They look like regular cigarettes, cigars, pipes, pens, USB sticks and other everyday items. E-cigarettes are also used to inhale marijuana, cannabinoid oils (CBD) and illicit drugs.

This is a reminder that, per Michigan law and our Student Code of Conduct, e-cigarettes/vapes of any kind are illegal in a school setting. Our students can be ticketed by our resource officers at any time if a student is found in possession of, or smoking, an e-cigarette. The current ticket issued for this violation holds a fine of up to \$175. There may be other consequences not related to the law, such as school suspension.

We encourage you to speak with your child about the dangers of vaping. You may find information from the [Centers for Disease Control and Prevention](#) and [My Life My Quit](#) as helpful resources for this discussion. Teens can also text "Start My Quit" to 1-855-891-9989 to receive free text-based help to quit vaping, if they are already addicted.

Thank you for your partnership in ensuring our students are drug free and focused on learning.

Sincerely,

Scott A. Lindberg
Superintendent of Schools

Dear Orchestra Students and Parents,

Welcome to the new and returning members of the Waterford Kettering Orchestras! I hope you are enjoying the last few weeks of summer. I am looking forward to seeing you on August 28 and starting our musical adventures this year.

The Kettering Orchestra Boosters are looking forward to meeting you at Registration on August 16, 2023. Mrs. Anna Findley is our President and Mrs. Amy Majors is our Treasurer. At the Orchestra table, you will have the opportunity to be fitted for your concert attire and turn in concert attire and volunteer forms that have been mailed to you.

For your planning, here is our current performances schedule. A more detailed calendar will be available at Registration on August 16, 2023. Any other changes or additions to the calendar will be given to you as soon as possible.

- Americana Concert: Wednesday, October 18, 2023
- Collage Concert: Thursday, Friday & Saturday, December 14-16, 2023
- Pre-Festival Concert: Wednesday, February 14, 2024
- MSBOA District Orchestra Festival at Waterford Mott High School:
Wednesday & Thursday, March 6-7, 2024
- Spring Concert: Wednesday, May 22, 2024

Our first Kettering Orchestra Booster Meeting is Wednesday, September 13, 2023 at 6:30 p.m. in the Choir/Orchestra Room (room 312).

If you have any questions, please ask at registration, or email me at BeardM01@wsdmi.org.

Musically Yours,

Merlyn Beard,
Director of Orchestras

Thank you for volunteering in the Waterford School District. Numerous studies show that parents/guardians are the most important influence in a child's life, even into adolescence and early adulthood stages. A parent/guardian's "first-hand" demonstration of support for our schools establishes a pattern of cooperation that will stay with a child for a lifetime. To ensure our students remain in a safe learning environment we are asking you to complete the affidavit below.

I, the undersigned volunteer, affirm that I, whether as an adult or juvenile, **HAVE AT ANY TIME**, been convicted of, pleaded guilty to (whether or not resulting in a conviction), pleaded nolo contendere or no contest to, been diagnosed as having or treated for any mental or emotional condition arising from, resigned under threat of termination of employment or volunteer work for, any allegation, any conduct, matter, or thing (irrespective of the formal name thereof), constituting or involving (whether under criminal or civil law of any jurisdiction):

If you answered YES to any of the above items please provide the information below. Date and Reason for Conviction:

Waterford School District reserves the right to "approve" or "deny" any volunteer service upon review of the background check returned through ICHAT. The determination will be based upon the individual's fitness to have responsibility for the safety and wellbeing of children. Providing false information, or information contradicting the background check information, is grounds for immediate volunteer denial.

Waterford Athletics Event Spectator Expectations and Guidelines

The 2022-2023 athletic competitions are underway! We appreciate our school and community support at our athletic events, and hope you enjoy coming out to support our teams! Our goal is to have these events run as smoothly as possible, so they can be welcoming and pleasant for all who attend. As such, our students and spectators will be asked to follow the updated event guidelines below:

1. Student ID or a State Issued Picture ID are required by all attendees, except for elementary and children not yet of school age. Attendees will likely be asked to show an ID upon admission.
2. Middle school-aged students will be asked to show an ID **and** must be accompanied by an adult who is attending the event **and** remaining at the event for its entirety. The adult is responsible for the students who are in accompaniment for the duration of the event. Middle school students will be turned away at the entrance if they are not accompanied by an adult. Middle school students should remain in the immediate proximity of their accompanying adult at all times.
3. All students are expected to follow the regulations outlined in the Waterford School District Code of Conduct
4. For stadium events- all spectators should remain seated in the bleachers keeping the courtyard near the concessions and bathrooms free from congestion. Spectators will be asked to sit in the bleachers or exit the stadium when not in line for concessions or the bathroom.
5. Backpacks, bags, large purses, etc, larger than 6x4 inches, are not allowed; with the exception of a diaper bag when accompanied by small children, which would be subject to search. Footballs, other objects that can be thrown, open drinks, and any food, are prohibited from all events. Pets are also prohibited.
6. Once you exit the event, you will not be permitted to return.
7. Spectators should gather their belongings and exit the facilities within 15 minutes after any event. Our facilities will be closed and locked 30 minutes after the completion of any event.
8. Refusal to show an ID when requested by any staff member, or failure to follow any other staff directives, will result in immediate removal from the event, and additional consequences will follow.
