

ELEMENTARY SCHOOLS

Waterford has 13 elementary sites that serve approximately 4,800 students each school year. Every elementary school has a new or renovated library/media center and have partnered with the Waterford Township Library. This is an integral part of the learning program of each school and ensures that both students and staff are effective users of information, ideas, and technology.

In addition to the traditional elementary schools, Waterford provides an accredited early childhood program at the Stepanski Early Childhood Center. Each school offers expertise and experience in the areas of physical education, art, music, technology, and All Day, Every Day Tuition-Free Kindergarten. Waterford elementary schools are accredited by the North Central Association of Colleges and Schools.

MIDDLE SCHOOLS

The two middle schools in Waterford — Mason and Pierce — employ staff and teachers who are dedicated to making middle school a challenging and rewarding experience. Waterford is firmly committed to the middle school concept of education (grades 6-8, approximately 2,500 students) and has made the transition to that model between the elementary and high school levels.

An interdisciplinary team approach has been implemented. A group of teachers work with the same group of students to meet their unique needs. The curriculum at the middle school level is specifically designed to focus on challenging academic goals, the development of socially acceptable behavior, and other critical human development needs of early adolescents. Waterford middle schools are accredited by the North Central Association of Colleges and Schools.

HIGH SCHOOLS

Waterford has two high schools — Kettering and Mott — and one alternative high school — Waterford Alternative High School, Crary Campus, which educate approximately 3,600 students. Waterford high schools have a proud tradition of accomplishments and continue to educate a community of young men and women who make a lifelong contribution to our community, state, and country. Waterford emphasizes scholarship first, building a strong support curriculum, encouraging critical thinking, and problem-solving.

Waterford high schools are accredited by the North Central Association of Colleges and Schools. Children's Village, a school for adjudicated youth, is also accredited.

SCHOOL SELECTION/CHOICE

The Waterford School District believes that parents should have the opportunity to provide educational opportunities for their student, including making the decision on which school or school district to attend. In Waterford, there are two different options.

School Selection: Parents, who reside within the Waterford School District boundaries, may complete a request form for the transfer of their child to another school building. The request will be accepted depending on space availability.

Schools of Choice: Parents, who reside outside Waterford School District boundaries, may apply for a Kindergarten Schools of Choice transfer into the District if space is still available after all internal school selection applications have been considered. For more information call 248.706.4864.

FAST FACTS

The Waterford School District is located in central Oakland County and serves four charter townships; Waterford, Independence, White Lake, West Bloomfield and the City of Lake Angelus. The District educates 11,300 students each year.

Waterford Township encompasses 36 square miles and has 34 lakes. Golf courses, tennis clubs, ski areas, a wave pool, and many parks serve the immediate area.

Community support in the Waterford School District was evident when voters overwhelmingly passed bond issues in 1999 and 2003. New pool and fitness centers, performing art centers, and gymnasiums have been added to each high school and numerous other building improvements.

The Waterford School District is Waterford Township's largest employer. The General Fund budget is \$110,158,476 in expenditures and \$112,041,051 in revenues. Revenues are made up of 7.5% local; 76.1% State, 16.4% federal.

The Waterford School District ranks 9th in Oakland County, out of 28 districts, in the percentage of dollars spent for basic instruction and instructional and pupil support services.

Waterford Schools enjoys an AA+ school improvement bond rating which supports the District's financial stability.

OUR VISION

INSPIRE, EDUCATE, AND EMPOWER OUR STUDENTS FOR THEIR FUTURE!

SPECIAL SERVICES

Waterford Summer Academy is an optional tuition program available to children who are presently in grades K-12. It's designed for elementary, middle, and high school students who want classes for enrichment or for credit. For further information contact your child's school counselor.

Waterford Career Center is an employment and training service working in conjunction with the Oakland County Michigan Works! Agency/Michigan Jobs Commission. The Center provides services to Township residents and the general public. For more information call 682.3417.

BOARD OF EDUCATION

The local Board of Education is a unique American institution. Boards are responsible for assuring the provision of educational opportunities to all children and youth in their local community. The Board desires to continue to be responsive to the community and encourages citizens to attend meetings and become involved. Regular meetings are held at the Waterford Township Auditorium on the first and third Thursday of each month, at 6:00 p.m., and is aired live on the District's Educational Channel 22. Meetings are replayed on Friday at 10:00 a.m., Sunday at 12:00 p.m., and again the following Monday at 8:00 p.m.
