## Stepanski Future Is Bright Social Media Campaign

B I U ↻ ↗

In September 2024, Waterford School District is opening a brand new Stepanski Early Childhood Center. As part of our district celebration for this event, we would like to shine a spotlight on some of our 12th grade students who first began their educational journey at Stepanski.

Your principal recommended you as an ambassador for this project due to your notable qualities and experiences in the Waterford School District, plus you will be a senior next year at the same time the new building is opening.

Please fill out the below form by **Thursday, February 29, 2024**. We plan to use the information given to run a social media campaign leading up to the Grand Opening in Aug./September 2024. Thank you for helping us showcase how The Future Is Bright in Waterford School District.
