Coach Barnes has been involved with the game of football since he graduated from high school in 1996. He’s worked as a college graduate assistant, for the Detroit Lions in their summer education program, and 10 years as a Varsity head coach. Coach Barnes has won numerous coach of the year awards, while sending many players to the next level. He also had the honor of coaching the East squad in the Michigan High School Football Coaches Association All Star game this past June. Coach Barnes and his championship staff are excited to meet and coach up all participants at this camp.
