SCHOOL SUPPLY LIST for 1st Grade (Summer 2024)

Dear Knudsen Family,

We are excited about the upcoming school year and want to ensure that every student is set up for success. This letter includes a list of recommended school supplies for your child based on their grade level. We understand that each family has unique circumstances and may not be in a position to acquire all of the items on this list. Please know that we are here to support you, and we will make sure each child has everything needed for school.

At Knudsen, we are committed to serving our students and families and fostering a supportive and inclusive environment where every child can thrive. Our goal is to minimize the strain on our families and to ensure that all members of our school community understand that we value the sacrifices our families make for our students. Most importantly, we appreciate your partnership.

Classroom Supplies for Grade 1 Students:

Spiral notebook

Glue sticks (4)

Scissors

Pencils (most students will use a couple dozen or more for the school year)

Non-essential Items that will be accepted as donations for our school:
